

BYBERRY MONTHLY MEETING

Volume I, Issue 2

July, 2019

Northeast Philadelphia History Network visits Byberry

TORRENTIAL rain couldn't keep more than 70 visitors from delving into the history of our Byberry property and Quaker community! It was such a lively and interested group of neighbors and historians. Many spoke of being raised in Parkwood and having never been inside the Meetinghouse!

They were thrilled to learn about the rich history of the buildings, and to be introduced to the Quaker style of worship.

HAPPY

Please do correct me if I am wrong!

A CHILDHOOD REVISITED

Fortuitous Timing—As we were opening the Library/School for the NEPHN history evening, we stumbled across a box of class photographs from the 1970s thru 1992.

Little did we know that only an hour later, a student from a 1974 class photo would be attending the history program!

Thanks for
the visit,
Andrew —

Let's not let
another 40+
years pass
before you
come to see
us again!
