

# BYBERRY MONTHLY MEETING

Volume 3, Issue 5

November, 2021

## Do you have a Giving Tuesday Plan?

Do you participate in Giving Tuesday? In 2021, GivingTuesday falls on **Nov 30th** (the date is always the Tuesday following Thanksgiving). Have you pondered which non-profit organizations you might assist? Would you consider supporting Byberry Friends Meeting? As we look to the end of 2021 and into 2022 and beyond, we will be paying for the renovations to add hospitality to our meetinghouse; we will be celebrating the 175th Anniversary of the first abolition debate (in July 1847) in Byberry Hall; the implementation of all of the repairs and restoration assessed in the Keystone Planning Grant; and as we work our way towards 2023 and a (mini) 340th celebration of Byberry, with an eye towards the 350th bash (Founding of Byberry). There's great work in our revitalization efforts, and we would **LOVE** your support. Visit the **DONATE** button on our website, should you wish to **Give on Tues the 30th**, and/or anytime through the year.

Reminder: We continue to meet in Zoom on Tues & Thurs @7PM, and Sun @ 10AM for M4W. Email us at [ByberryQuakers@gmail.com](mailto:ByberryQuakers@gmail.com) for the Meeting ID and link.

## What a difference a month makes...

The backhoe made its first pass across the earth on October 13th. This is the first major alteration to the 1808 meetinghouse in over 200 years — and look how quickly it is coming to fruition! Be sure to follow our progress on the various social media channels (mostly FB and Instagram). We are a small but mighty crew of devoted F/Friends who wish to see Byberry survive and prosper for another 340 years! #WatchUsGrow

## Quaker Corner / Adult Discussion

### The Eleventh Query

### Witnessing in the World: Education

#### Our Meeting:

- What does our meeting do to support & improve public education?
- What help do we provide for the children and adults in our meeting to pursue their educational goals?
- What is our meeting's role in support of Friends education? If our meeting is connected to a Friends school or schools, does this relationship nurture spiritual life and the manifestation of Friends principles?
- Do we enable children in our meeting to attend a Friends school? Does our meeting work with the family to consider all available means of support?

#### Personally:

- How do I show my concern for the improvement of public education in my community?
- Do I demonstrate my encouragement and support for Friends education through awareness and service?

Birthday wishes to Harry L (11/19)
